Mobility

All our highlights resplendent once again on 3,000 m².

»

Musical Instruments

In order to make music, people need instruments. This exhibition shows how they are manufactured, how they work and which experiments and sophistry were required to reach today's standards. »

medien.welten (media.worlds)

Every day, we make telephone calls, see television pictures from around the world, take snapshots with mobile-phone cameras, and surf the Internet... The new media world is beautiful, but how did it come about? »

Edison Triumph Phonograph

Thomas A. Edison successfully manages to record sound waves on wax cylinders. However, the procedure is unsuitable for commercial marketing purposes, as each cylinder has to be recorded individually.
