Musical Instruments

In order to make music, people need instruments. This exhibition shows how they are manufactured, how they work and which experiments and sophistry were required to reach today's standards. »

Organ of the Hofburgkapelle

Two thousand years ago, organs were a circus instruments. Today, they are mainly found in churches. This also applies to this instrument from the Hofburgkapelle in Vienna, built by Carl Friedrich Ferdinand Buckow.

medien.welten (media.worlds)

Every day, we make telephone calls, see television pictures from around the world, take snapshots with mobile-phone cameras, and surf the Internet... The new media world is beautiful, but how did it come about? »
