

A RIDDLE-RALLYE AT THE TECHNISCHE MUSEUM WIEN

Answer Version

Leicht Lesen

Lets start!?

An exciting riddle rally through the Vienna Technical Museum is about to start. Check the plan and photos to see where you can find the exhibition pieces. Some of them are very big. With others, you have to look very carefully to find them.

Read the questions and assignments carefully. You can find the answers in different places:

- with the exhibits,
- on the display boards
- or in the "Did you know ..." fields!

If you dont know what to do next, our staff at the museum will be happy to help you!

Have fun!

Per Rätselrallye durch die Galaxie

Duration: ca. **0 minutes**

Starting point: **Eingangshalle / Garderobe (Ebene 0)**

Endpoint: **Mittelhalle (Ebene 2)**

Explanation of the symbols

You should solve some tasks at each station. You will find various symbols for the tasks on the slips of paper. Here you can see what the individual symbols mean.

Location

Show the place where you should solve the task.

Lightbulb

Here you will find information worth knowing about the topic of the task.

Flag 1

Shows the place where you are **before** the riddle rally meets.

Actiontask!

There is something to be done here.

Flag 2

Shows the place where you are **after** the riddle rally meets.

Rack-Wheel

Here you will find different tasks. For example, assign terms or put something in the right order.

Binoculars

This is a search task.

Letters

Here you can find a fill in the blank to fill in.

Question mark

Here you should answer questions of knowledge or solve puzzles.
